### 2.4mil Gloss Laminate Calendered Vinyl (7 yr)

PG-132 is a premium 2.4 mil calendered gloss clear laminate with a clear permanent acrylic adhesive on a 53# PE coated kraft liner. This laminate offers protection from ultraviolet radiation, moisture and other environmental exposures. It can be laminated by using a cold laminating process without the addition of heat. PG-132 is specifically engineered for use in most vehicle wrap and decal applications. This laminate is best suited for long-term outdoor graphics. Consider pairing this product with one of our calendered vinyls such as PG-032.
