

Technical Data Sheet:

#PG-#749

8.0mil Satin White Photographic Poster Paper (190gsm)

PG-749 is an 8.0 mil satin white photographic poster paper that is multi-coated, weatherproof with a high wet-strength, and weighs 190gsm. PG-749 creates impressive prints with a homogeneous printed image and good scratch resistance. PG-749 has the advantages of excellent performance for the price, outdoor durable wet strength paper, and folds without cracking. PG-749 can be used in solvent, latex, and UV-curable wide format digital printing. Common applications for PG-749 include: photo prints, posters, promotional materials, certificates, awards, and POP/retail signage. Lamination is optional for this product. Should you choose to laminate this paper, we recommend PG-004, PG-104, and PG-204.
