

# Technical Data Sheet:

## #PG-751

### 8.0mil Semi-Gloss White Photographic Poster Paper (200gsm)

PG-751 is an 8.0 mil semi-gloss white photographic poster paper and weighs 200gsm. PG-751 has the benefit of being wet strength grade paper resistant to water and durable for both indoor and outdoor signage. This paper can be used in solvent, latex, and UV-curable wide format digital printing. Common applications for PG-751 include: photo prints, posters, indoor signs and short term promotions, and outdoor signage and billboard advertising. Lamination is optional for PG-751. Should you choose to laminate this product, we recommend PG-004, PG-104, and PG-204.
